Dear Senator Quayle,

I am writing to you not for my business interest but for Rudolf Wittenberg. I just finished his biography. It is very difficult for me to realize that this man has been in prison longer than you and I have been alive.

So many people for so many years and for so many reasons have found it convenient to forget this man. Please lend your support to free this man if he is alive or to determine his fate if he is dead. The standard answers won't play anymore.

I ask for your help as a Christian and American.

Sincerely,
